Through this process, they develop spiritual habits and learn how to live out their faith in their daily lives.

Worship School | 예배 학교

Worship School is a program designed to teach the meaning of worship and the heart of a true worshiper. Students learn biblically what worship is and reflect together on what genuine worship toward God looks like. It also provides those involved in praise and worship ministry an opportunity to learn the attitude and posture of a worshiper.

Ambassador School | 졸업자 학교

Ambassador School is a special discipleship program for graduating students. Students learn how to live in the world as ambassadors of Christ and take time to reestablish the direction of their faith before moving on to college and the next stage of life.

Saeroun Church YEM | Youth English Ministry

YEM (Youth English Ministry) aims to help students grow in their knowledge of God through the Word, worship, and community, and to live as disciples of Christ in the world.
